2. Football Season Ticket Renewals; Renew Your Season Tickets and Make Your MAC Gift Online at WVUGAME.com:

A. MAC Annual Fund/Priority Seating Season Ticket Renewals

Your 2014 season ticket seat locations are noted on the 2015 season ticket renewal form. The MAC annual gift and football season ticket renewal deadlines are Friday, May 1. Failure to meet these deadlines

may result in the forfeiture and potential relocation of your season tickets and parking passes.

Fans are encouraged to renew their season tickets and make their MAC annual gift online at WVUGAME.com. Detailed instructions for online ticket renewals and online giving can be found in the letter accompanying the season ticket renewal statement.

Funds generated from the MAC Annual Giving and Season Ticket Priority program are utilized to provide the necessary resources for student-athlete scholarships, academic support services, recruiting, athletic training and nutrition, and improve facilities for our 18 varsity programs. It is essential that donors renew their MAC membership at the same annual giving level (or higher) in order to retain season ticket and parking locations for the 2015 football season. Seat locations and parking assignments are contingent upon meeting all MAC annual giving requirements and applicable deadlines.

B. Requests for Additional Season Tickets

Your 2015 season ticket order form includes a separate application should you wish to request additional season tickets. Additional seat locations will be selected during the Optional Seat Selection Process. Additional season tickets and additional MAC gifts may be made in advance using the enclosed form.

C. The Green Zone

Season tickets in the Green Zone do not require a MAC gift to purchase. Green Zone seats are available only on a renewal basis at this time. Green Zone sections may be subject to MAC gift priority seating gift requirements in future years.

D. Family FunZone

The Family FunZone is an alcohol-free, family-friendly section for season ticket holders at Milan Puskar Stadium. Season tickets in the Family FunZone are located in section 133 and cost \$395. Family FunZone tickets do not require a MAC gift to purchase.

Renewing season ticket holders in this section will have the option of maintaining their seats in this section or having them moved to section 132. Please attach a note to your season ticket renewal form indicating your preference.

Existing WVU football season ticket holders in other sections of Milan Puskar Stadium may also request to have their existing seats relocated to the Family FunZone. All requests must be made in writing and sent to the Mountaineer Ticket Office with your renewal form and payment.

Any remaining season tickets in the Family FunZone section will go on-sale to the general public in June. Specific details will be announced at a later time.

E. Seat Changes/Upgrades

All season ticket holders will maintain their season ticket locations as long as the per-seat gift requirement is met. All season ticket upgrades/changes will be made by the season ticket holder during the Optional Seat Selection Process. Selection times will be based on MAC annual giving levels and priority points ranking within each level and will be mailed to all MAC members in May. The Selection Process will take place in early June. Please contact the MAC by calling 1-800-433-2072 for more information. Upgrades are subject to availability and making a donation above the minimum required "per seat" contribution, or above the minimum donation associated with a section different than your current section does not guarantee an upgrade/change.

F. Blue and Red Zone Season Tickets

Due to high demand and minimal attrition, it is unlikely that all new donors who give at the \$500 and/or \$425 minimum per seat giving level will receive Blue and/or Red Zone seating in 2015. For more information about Blue and Red Zone seating availability during the Optional Seat Selection Process please see the MAC Annual Giving Priority Tickets Limits chart or contact the MAC Office at 1-800-433-2072.
